**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:30 P.M.
TUESDAY, MARCH 10, 1992

BUSINESS MEETING STARTS AT 7:30 P.M. ON
WEDNESDAY, MARCH 11, 1992

AT THE BROOKLINE ELEMENTARY SCHOOL

To the inhabitants of the Town of Brookline in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Brookline Elementary School in said Brookline on Tuesday, the tenth (10) day of March at 10:00 a.m. to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the Town will vote to raise and appropriate the sum of \$480,000 for the cost of purchasing and renovating the building known as the "youth center" for use by the library and renovations of the town hall building; said sum to be raised as follows or as amended on the floor of the town meeting:

(a) \$126,000 to be transferred from the existing Town Hall and Library Capital Reserve Fund so that said capital reserve fund will be exhausted and any additional accrued interest from the same will also be transferred to be used for the foregoing purpose;

(b) \$50,000 to be raised by taxes;

(c) The balance of up to \$304,000 to be raised by the issuance of either bonds and/or serial notes authorized and issued under and in compliance with the provisions of the Municipal Finance Act (NH RSA 33:1 et. seq.) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or serial notes as shall be in the best interest of the Town of Brookline; and to the extent that the selectmen are capable and deem it appropriate, they may raise such portions of said sum by application from appropriate federal, state or private

funds that may be available;

And to further authorize the Selectmen to take any and all actions and execute any and all documents on behalf of the town necessary to purchase the youth center. (Recommended by the Finance Committee and Board of Selectmen 6-0)

3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

4. To hear reports of Agents, Auditors, Committees, and all other Officers heretofore chosen, and pass any vote relative thereto.

5. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes in accordance with RSA 33:7.

6. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the state, federal or another government unit or a private source which becomes available during the year in accordance with procedures set forth in RSA 31:95b, provided that no additional Town monies be spent.

7. To see if the Town will vote to authorize the library trustees of the Brookline Public Library to apply for, accept and expend money from the state, federal or other government unit or a private source which becomes available during the year in accordance with procedures set forth in RSA 202-A:4c, provided that no additional Town monies be spent.

8. To see if the Town will vote to raise and appropriate the sum of \$50,000 to be placed in the Capital Reserve Fund for expansion of town offices and library, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen 5-1)

9. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be placed in a Fire Department Equipment Capital Reserve Fund, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen 5-1)

10. To see if the Town will vote to raise and appropriate the sum of \$11,102 to purchase a 1991 police cruiser and to authorize the withdrawal of \$10,600 plus interest accrued to date of withdrawal from the Police Cruiser Capital Reserve Fund set up for this purpose; the balance to be raised

from taxes not to exceed \$500. (Recommended by the Finance Committee and Board of Selectmen 6-0)

11. To see if the Town will vote to raise and appropriate the sum of \$10,000 to be placed in a capital reserve fund for a police cruiser, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen 5-1)

12. To see if the Town will vote to raise and appropriate the sum of \$4,500 to be placed in an Ambulance Capital Reserve Fund for the purchase of a defibrillator, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen 4-2)

13. To see if the Town will vote to raise and appropriate the sum of \$15,000 for road improvements, or take any action relative thereto. (Recommended by the Finance Committee and Board of Selectmen 4-2)

14. To see if the Town will vote to raise and appropriate the sum of \$13,500 to conduct a sales analysis of properties in town to establish new value parameters and perform a field review of all parcels, or take any action relative thereto. (Not recommended by the Finance Committee and Board of Selectmen 6-0)

15. To see if the Town will vote to authorize the Selectmen to convey Tax Map No. G-033 located on Russell Hill Road to Frank Canney, Trustee of Kristin Memorial Trust dated September 2, 1987, for back taxes plus interest and costs. (by petition)

16. To see if the Town will vote to accept the following roads contingent on all outstanding fees being paid by the developer and a maintenance bond being in place in the amount of 10% of the total cost for the road, and that final acceptance has been approved by the Planning Board, Road Inspector, Road Agent, and Board of Selectmen.

Lakin Road (Lawrence & Martin Ruggiero subdivision)

Rideout Lane (Robert J. Peterson subdivision)

Nightingale Road, Dunbar Drive and Birch Hill Road from sta. 13+00 to sta. 32+60 (Fresh Pond Realty subdivision)

Wadsworth Drive, McDaniels Drive, Bear Hill Road and Captain Seaver Road from sta. 1+00 to sta. 42+91.64 (Bear Hill Associates subdivision)

Senter Drive and Kodiak Road (Serenity Homes subdivision)

17. To see if the Town will vote to authorize the Board of Selectmen to appoint a five (5) member commission for the 225th Anniversary Celebration of the Town of Brookline.

18. To see if the Town will authorize the Selectmen to accept private donations of land, interest in land or money for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee on lesser interest in conservation land, or take any action relative thereto. Said appropriated funds and state matching funds may be expended by majority vote of the Conservation Commission with the approval of the Selectmen.

19. To see if the Town will accept the following legacies:

1. The sum of Fifty Dollars to be used for the perpetual care of the Dorothy & David W. (Allen) Irwin lot, #SF-8, Pine Grove Cemetery.

2. The sum of One Hundred Fifty Dollars to be used for the perpetual care of the Swearingen/Morgan lot, #325-A, Pine Grove Cemetery.

3. The sum of One Hundred Dollars to be used for the perpetual care of the Norman E. Sr. & Gabrielle E. Williams lot #217-A, Pine Grove Cemetery.

4. The sum of Two Hundred Dollars to be used for the perpetual care of the Terence & Beatrice Denehy lots #17 & #18, Lakeside Cemetery.

5. The sum of Two Hundred Dollars to be used for the perpetual care of the David W. & Thelma B. Fessenden Lot #202, Pine Grove Cemetery.

6. The sum of One Hundred Dollars to be used for the perpetual care of the John G. & Olivia F. Zapareski lot, #325-B, Pine Grove Cemetery.

20. (By Ballot) Are you in favor of the adoption of amendment #1 as proposed by the planning board for the Brookline Zoning Ordinance to add a new Article XVI (Sign Ordinance) and amend Article VIII (Definitions) to add definitions related to the Sign Ordinance?

The proposed sign ordinance will regulate the type and dimensions of all new signs in the Town of Brookline. (Planning Board approves)

21. (By Ballot) Are you in favor of the adoption of Amendment #2 as proposed by the planning board for the Brookline Zoning Ordinance to amend Article VIII (Definitions) so as to change the definition of "Family" to allow unrelated persons to live together as a single housekeeping unit?

The new definition would read... Family - One or more persons occupying a dwelling unit and living as a single housekeeping unit. (Planning Board approves)

22. (By Ballot) Are you in favor of the adoption of Amendment #3 as proposed by the planning board for the Brookline Zoning Ordinance to amend Article II (Districts), Article III (General Provisions), Article IV (Industrial-Commercial District), Article V (Residential-Agricultural District), and Article VIII (Definitions)?

This proposal would change the Industrial-Commercial and Residential-Agricultural District boundaries by adding some areas and deleting others. Permitted uses would be listed more clearly for the Industrial-Commercial District. Move definition of home business to Article VIII. (Planning Board approves)

23. (By Ballot) Are you in favor of amending Article IX Earth Removal so as to prohibit earth removal projects from the Residential-Agricultural District and to limit earth removal projects to only areas in the Industrial-Commercial District (so long as the project meets the other criteria of the Ordinance); by inserting the words "in the Industrial-Commercial District" in the first sentence? (by petition)

The new sentence would read..."Excavation shall be deemed to be a use allowed by special exception, in the Industrial-Commercial District, as

provided in RSA 674:33 IV and the Zoning Board of Adjustment shall grant such special exception upon a finding that the applicant has demonstrated that:....” (by petition) (Planning Board disapproves)

24. (By Ballot) Are you in favor of the adoption of Amendment #5 as proposed by the planning board for the Brookline Zoning Ordinance to amend Article XIII - Wetlands Conservation District to designate certain Prime Wetlands areas within Brookline?

Prime Wetlands:

Prime Wetlands shall be defined as those areas designated Prime Wetlands within the scope of RSA 483-A and NH Code of Administrative Rules WT 700. These wetlands are described in the Brookline Prime Wetlands Report dated January 1992, and are as follows:

Wetland Number	Location	Tax Map Sheet
2	W. of Route 13 near Milford	B
3	Scabbard Mill Brook N.	B
5	Palmer Wildlife Sanctuary area	B
6	Scabbard Mill Brook S.	B, D
9	Spaulding Brook	A, C
10	North Stream	C, E
12	Lake Potanipo	E, L
15	Talbot-Taylor area	G
16	Pout Pond	H
18	Wallace Brook	J
20	Nissitissit River/Campbells Meadow	K

The delineation of each Prime Wetland is included in separate maps correlated to the report. Both the aforementioned maps and report are incorporated in this ordinance by reference and are on file at Town Hall.

Amend Article XIII Section 2.1

The limits of the Wetlands Conservation District are determined to include Prime Wetlands as defined in section 2.2.

Amend Article XIII Section 2.3

Allow incorrectly delineated Prime Wetlands to be eliminated from Prime Wetlands designation. (Planning Board approves)

Given under our hands and seal this thirteenth day of February, in the year of our Lord nineteen hundred and ninety two.

Russell Heinselman
Barbara Burckes
Judy Cook
Selectmen of Brookline

A True Copy of Warrant - Attest:

Russell Heinselman
Barbara Burckes
Judy Cook
Selectmen of Brookline

It is our practice to recess at 11:00 p.m., however, we will continue if it appears that the meeting will not extend beyond 12:00.

If the meeting recesses at 11:00 p.m., the meeting will reconvene Thursday, March 12, 1992 at 7:30 p.m.

PROPOSED ZONING CHANGES FOR MARCH 1992 TOWN MEETING

ITEM ONE (1):

**ADD A NEW ARTICLE XVI and RENUMBER ALL SUBSEQUENT
ARTICLES
AMEND ARTICLE VIII**

SIGN ORDINANCE ARTICLE XVI

A. Purpose/Intent

The purpose of this ordinance is:

1. To preserve the aesthetics and rural character of Brookline.
2. To enhance traffic safety by reducing roadside distraction.
3. To encourage signage and lighting which aid communication, orientation, identify activities, and express local history and character.

B. Illumination

1. Sign illumination cannot glare onto abutting lots.
2. A sign can only be illuminated between midnight and 6 am if it is advertising an on-site business that is open at that time.

C. Size

1. Approved home occupations are allowed two signs totalling no more than 25 square feet of signage.
2. Commercial and industrial buildings are allowed one free standing sign per building. Individual occupants are also allowed a wall sign.
3. On two-sided signs, only one face is used to compute the sign's area.
4. Signs shall not exceed 20 feet in height. This is measured from the top of the sign to the surrounding grade of the ground.
5. Signs of less than three square feet are not regulated by this ordinance.

D. Temporary Signs

1. Temporary signs are allowed to be placed for 30 days per year without review and approval. When the 30 days has elapsed, the sign shall be removed.
2. Temporary signs must meet requirements listed elsewhere in this ordinance.
3. Only one temporary sign per lot is permitted.
4. A sign advertising the sale, lease or rental of the premises upon which the sign is located can remain until such transaction occurs. It must be removed after that time. This sign can be no larger than 6 square feet in area.
5. No temporary sign can be lighted.
6. Portable signs can only be used as temporary signs.

E. Prohibited Signs

The following signs are prohibited:

1. Off-premise signs are allowed only with Planning Board review and approval.
2. Wall signs that extend above the roof peak of the building.
3. Moving, blinking, or rotating signs.
4. Signs in the road right-of-way.
5. Signs that interfere, obstruct or impair vision or traffic or in any manner create a hazard to the health and welfare to the general public.

F. Subdivision Signs

1. Permanent and temporary subdivision signs are allowed only with Planning Board approval.

G. Grandfather Clause

1. All signs which legally exist as of March 14, 1992 shall be considered exempt from the provisions of this article.

ADD TO ARTICLE VIII THE FOLLOWING DEFINITIONS:

10. Free Standing Sign — A sign supported by one or more upright poles, columns, or braces placed in or on the ground and not attached to any building or structure.
20. Portable Sign — A sign that is not permanently affixed to a building, other unmovable structure, or the ground.
26. Subdivision Sign — A sign intended to identify the name of a residential subdivision.
27. Temporary Sign—A sign intended for use for a limited period of time.
33. Wall sign — Any external sign which is painted on, incorporated into, or affixed to the wall or roof of a building.

**ITEM THREE (3): AMEND ARTICLES II, III, IV, V, and VIII
Changes to Commercial-Industrial, and Residential-Agricultural
zones. Addition of definition of home business.*****DELETE ARTICLE II AND REPLACE WITH THE FOLLOWING:***

For the purpose of this ordinance the entire Town of Brookline shall be divided into two districts which shall be called:

- A. Industrial-Commercial
- B. Residential-Agricultural District

These two districts may also include areas designated Regulatory Floodway as delineated on the Flood Insurance Maps of the Town of Brookline dated May 19, 1987, as prepared by the Federal Emergency Management Agency - Federal Insurance Administration.

Other overlay zones include the Wetlands Conservation District and the Aquifer Protection District.

AMEND ARTICLE III

Delete section D. Re-letter E. to become D.

AMEND ARTICLE IV TO READ AS FOLLOWS:

**ARTICLE IV
INDUSTRIAL-COMMERCIAL DISTRICT**

A. LOCATION

1) The Industrial-Commercial District shall be:

- a) the area within 500 feet west of NH Route 13 from the northern and western boundary of lot G-52-1 to the southern lot line of G-27.
- b) the area between the old tract line approximately 528 feet west of the western boundary of G-27, northeastward along the old tract line to the western tip of G-52-2, and the western boundary of G-52-1 and Route 13.
- c) the area within 500 feet of NH Route 13 from a point 500 feet south of Route 130 North to North Mason Rd. on both sides of NH Route 13.
- d) lots K-76, K-77 and the area within 500 feet west of NH Route 13 from the Massachusetts State Line to the northern boundary of lot J-19.
- e) the area within 500 feet east of NH Route 13 from Bond St. south to South Main St., then following South Main St. to the southern boundary of lot H-23-1.
- f) lot G-20.
- g) lots K-81 and K-75.

B. USES PERMITTED

- 1. Excavations (as per Article IX)
- 2. Stores, shops, service stations and professional offices
- 3. Farming & Forestry

4. Lumber Yards and lumber mills
5. Health care facilities
6. Theaters
7. Hotels/motels
8. Warehousing, assembling & manufacturing
9. Day care centers
10. Office parks
11. Residential dwelling units existing prior to March 14, 1992.
12. Any use which does not offend by emission of smoke, dust, gas, noise, odor, or fumes.

C. LOT REQUIREMENTS

1. Frontage: Every building lot shall have at least 200 feet of frontage.
2. Setbacks: Front: Each structure shall be setback at least 30 feet from the front lot line. Side and Rear: Each structure shall be at least 20 feet from side and rear lot lines. In the case of a corner lot, the side distance shall be increased to 30 feet on the side bordering the frontage.
3. Land Area: Each building lot shall have at least 80,000 square feet.

DELETE ARTICLE V AND REPLACE WITH THE FOLLOWING:

ARTICLE V RESIDENTIAL-AGRICULTURAL DISTRICT

A. LOCATION

- 1) The Residential-Agricultural District shall be:
 - a) all areas of town not designated as the Industrial-Commercial District.

B. USES PERMITTED

1. Single family dwellings, two family dwellings.
2. Churches, synagogues, parish houses, convents, day nurseries, kindergartens, and day care centers.
3. Municipal buildings, schools, and institutions of higher learning.
4. Recreation and community center buildings and grounds for games and sports.
5. Home businesses

6. Farming and Forestry activities are permitted when incidental to primary residential use, but any use injurious, obnoxious, or offensive to the neighborhood is prohibited.

C. LOT REQUIREMENTS

1. Frontage: Every building lot shall have at least 200 feet of frontage.
2. Setbacks:
Front: Each structure shall be setback at least 30 feet from the front lot line.
Side and Rear: Each structure shall be at least 15 feet from side and rear lot lines. In the case of a corner lot, the side distance shall be increased to 30 feet on the side bordering the frontage.
3. Land Area: Each building lot shall have at least 80,000 square feet.
4. Only one dwelling unit shall be permitted per minimum land area. A two-family house shall require two times the minimum land area.

AMEND ARTICLE VIII

Add definition of home business and renumber other definitions to keep them in alphabetical order.

12. Home Business—Residences may be used to house uses by the owner or tenant as offices for doctor, engineer, architect, lawyer, real estate and insurance or other recognized profession or home occupation such as hair-dressing, barber shops, manufacture of food products except that the number of persons employed at any one location shall not number more than four persons in addition to the owner or tenant. Home produce and products (such as crafts, food products) may be bought and sold and exposed for sale.

1991 BROOKLINE FINANCE COMMITTEE REPORT

**Art Belair
Mike Lynch
Bob Peterson**

The economic conditions in the country had a substantial impact on the town this year.

We experienced close to a \$100,000 revenue shortfall. Most of this was due to a decrease in the land use tax revenue because there were fewer developments started in town.

However a \$206,000 refund from the SAU provided the town with a substantial (\$.69/1000) decrease in the tax rate. This represented a 4% decrease in the tax rate, and gave the town a \$17.40/1000 rate this year. The refund came from two parts of the total school budget. Approximately \$100,000 of the refund came from more effective use of special needs appropriations. The other \$106,000 came from adjustments made to the formula of the old Brookline and Hollis Area agreement.

While, on the surface that made all of us feel very good, a closer look at the budget numbers shows some disturbing figures. For example:

1. There are other revenue decreases from several other lines that equal approximately \$20,000. Add this to the \$80,000 revenue decrease in Land Use tax and you have a \$100,000 revenue shortfall.
 2. The \$206,000 refund we got represents an approximate total of \$1.20/1000 to our tax base. $\$206,000 = \$1.20/\$1000$ evaluation)
- If we had been running on an even budget from 1990, our final tax rate for 1991 should have been the '90 rate of \$18.09 minus the \$1.20 from the refund. Our tax rate for '91 should have been \$16.89/1000. Instead we had \$17.40/1000.
 $(\$18.09 - \$1.20 = \$16.89 \dots \text{NOT } \$17.40)$
- Our best calculations indicate that without the \$206,000 refund, Brookline's '91 tax rate would have been approximately \$18.60/1000.
 $(\$17.40 - \$16.89 = \$.51)$
 $(\$18.09 + \$.51 = \$18.60)$
- However, since the refund is NOT an annual event, there are no indications that we will see any refund next year.

- Therefore, a flat budget will give Brookline taxpayers a 1992 tax rate of \$18.60/1000.
- Any increases to this year's budgets (either the town, school, or COOP) should be added to the estimated \$18.60/1000 rate that we would have paid without the refund - - AND NOT ADDED TO THE CURRENT RATE OF \$17.40!
- 3. On the positive side, the economy did not stop our growth completely. Brookline's total evaluation increased from \$172M in 1990 to \$177M in 1991. Housing starts seem to indicate similar growth in Brookline evaluation will continue into 1992. That \$5M increase in town evaluation equals approximately \$90,000 in increased revenues to the town, assuming the economic conditions don't force an equal number of families to not pay their taxes.

On the negative side, this growth shows up in the Brookline School budget. We needed to add a third class for the first graders this year, and may have to do that again in 1992. That puts a "strain" on the school budget, and also on the school facility.

Summary

In general, 1991 appeared to be a good year from a fiscal point of view. All of the town departments worked hard to keep costs flat. The school budget showed only a small increase. The COOP budget was confusing, but had a positive impact on Brookline during its first year of operation. Our tax rate declined \$.69/1000. That makes the third year the town employees and volunteers efforts have resulted in either a flat, or decreasing tax rate. Considering that the years between 1985 and 1989 had several "double digit percent" tax rate increases; things appear to be in "good shape".

The finance committee believes all this fiscal responsibility has "lulled" the Brookline taxpayers into thinking everything is great, and this will continue. In reality, we believe that without taxpayer involvement during all this years annual school, COOP, and town meetings, we could easily see double digit percent tax rate increases next year...and maybe for many years thereafter. Most of those increases are in warrant articles, and will be voted on individually.

If all of the current school and town warrant articles are passed, and there is only a 5% increase in the COOP budget; the Brookline tax rate could increase by almost \$1.90/1000. You have the opportunity to have an impact. Please be sure to attend the town, school and COOP annual meetings, and let your wishes be known.

BUDGET OF THE TOWN OF BROOKLINE, N.H. **APPROPRIATIONS AND ESTIMATES OF REVENUES FOR ENSUING YEAR**

County	1.31
School	13.03
	\$ 17.40

SELECTMEN'S REPORT

This year saw few changes in the Town's employee roster. In January, Linda Wines was appointed Health Officer. In September, Wesley Whittier was appointed Emergency Management Director. Wes also serves as our Ambulance Service Director and Building Inspector.

A number of projects were completed to improve the efficiency and serviceability of Town buildings. Overhead doors were installed in two of the bays of the Ambulance Building, one for the use of the Police Department and one for the use of the Ambulance Service. Additionally, a new modern, fuel efficient furnace was installed in the Ambulance Building. The Town Clerk and Building Inspector offices in the Town Hall were rearranged and expanded into the hallway to provide a few more square feet of badly needed space.

In December, Tom Moran donated to the Town a lot and building adjacent to the Ambulance Building. Thank you Tom. The building was moved to the Ball Park and will be utilized as a snack bar and utility building.

The Town's voluntary recycling program has continued to work well and has contributed significantly to stabilizing the cost of operating the transfer station. All townspeople participating are commended. Those not recycling are urged to join in. Remember the three R's: reduce, reuse, and recycle - they will continue to control transfer station costs and contribute to saving our Town and area environment for us and future generations.

Much of this year was spent trying to deal with the divergent forces of a floundering local economy and a growing town. This is a balancing act that will leave its mark on the Town for many years to come as we make decisions that affect the Town's infrastructure of roads, buildings, and services. We ask for the help and understanding of all the citizens of Brookline as we make our way further into the decade of the 90's.

Respectfully submitted,
Russell Heinselman
Barbara Burckes
Judy Cook
Selectmen of Brookline

TOWN MEETING MINUTES

MARCH 12, 13, 1991

The meeting was opened at 10:00 AM on March 12 by Moderator Thomas I. Arnold, Jr. The ballot clerks were sworn in and the ballots distributed. The warrant was read by Moderator Arnold, and the polls were opened under Article I.

Polls closed at 7:30 PM. The business meeting opened on March 13, 1991 at 7:30 PM.

Total names on checklist	1,478
Total ballots cast	497
Absentee voters	7

Article I. Results of balloting as follows, with various write-ins omitted.

For Town Clerk/Tax Collector	Nancy B. Howard	456
For Selectman- 3 years	Judy Cook	32
For Assessor- 3 years	Cynthia A. Fottler	439
For Town Treasurer	Sandra L. Fessenden	453

The following were elected from the floor:

Surveyor of Wood & Lumber	Clarence L. Farwell
Memorial Day Committee	Philip Shattuck
	Michael Chase
Committee on Plans for New Cemetery	Erwin Corey
	Clarence L. Farwell
	Warren Welch
Melendy Pond Authority - 5 years	Francis LaFreniere
Sexton	Clarence L. Farwell
Town History Committee	Charlotte Farwell
	Miriam Jepson
	Brendan Denehy

The above were declared elected by Moderator Arnold.

ARTICLE II. Motion Allan Fessenden, second Warren Welch to raise and appropriate the sum of \$590,300 for the renovation and expansion of the town hall building, and to authorize the issuance of not more than \$471,000 in bonds or notes in accordance with the provisions of the Municipal Finance Act (Chapter 33 of the RSA'S) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to authorize the selectmen to apply for any federal, state or private funds that may be available to reduce the amount of funding; furthermore to authorize the withdrawal of \$69,300 plus accrued interest to date of withdrawal from the Expansion of Town Offices and Library Capital Reserve Fund created for this purpose, with the balance to be raised by taxes. (Recommended by the Finance Committee and Board of Selectmen 6-0) AMD Jack Flanagan, second Margaret Olson to require that all construction be performed by a person living within a 20 mile radius of Brookline. **AMD DEFEATED - HAND VOTE NAY**

Polls open one hour for ballot vote requiring 2/3 majority. Meeting continued during balloting. **139 BALLOTS CAST: 78 YES 61 NO BALLOT VOTE NAY**

ARTICLE III. Motion Russell Heinselman, second George Gray to raise and appropriate the sum of \$726,444 to defray town charges for the ensuing year and make appropriations of the same. AMD Michael Lynch, second Allan Fessenden to increase that sum by \$3,400 to \$729,844 to provide a 2% employee salary increase. **AMD PASSED - HAND VOTE 63 YES, 16 NO** AMD Russell Heinselman, second Clarence Farwell if Article II passes to delete \$9,000 to \$720,844. **AMD VV AYE WITHOUT DISSENT**

ARTICLE IV. Trustee Allan Fessenden offered a written statement, attached, to become part of the Trustee of Trust Funds Report. Motion Clarence Farwell, second Russell Heinselman to accept the reports of Agents, Auditors, Committees, and all other Officers heretofore chosen, as amended. **VV AYE WITHOUT DISSENT**

ARTICLE V. Motion Marcia Farwell, second Paula Welch, we voted to authorize the Board of Selectmen to borrow money in anticipation of taxes in accordance with RSA 33:7. **VV AYE WITHOUT DISSENT**

ARTICLE VI. Motion Marcia Farwell, second Patricia Malenfant, we voted to authorize the Board of Selectmen to apply for, accept and expend money from the state, federal or another government unit or a private source which becomes available during the year in accordance with procedures set forth in RSA 31:95b, provided that no additional Town monies be spent. **VV AYE WITHOUT DISSENT**

ARTICLE VII. Motion Allan Fessenden, second Peter Bennett to table this article until the results of Article II are tabulated. Motion Allan Fessenden, second Russell Heinselman, we voted to raise and appropriate the sum of \$50,000 to be placed in the Capital Reserve Fund for expansion of town offices and library. (Recommended by the Finance Committee and Board of Selectmen 6-0) **HAND VOTE AYE**

ARTICLE VIII. Motion Ray Kecz, second Ronald Denehy, we voted to raise and appropriate the sum of \$25,000 to be placed in a Fire Department Equipment Capital Reserve Fund. (Recommended by the Finance Committee and the Board of Selectmen 6-0) **HAND VOTE AYE**

ARTICLE IX. Motion Barbara Burckes, second Warren Welch, we voted to raise and appropriate the sum of \$10,000 to be placed in a capital reserve fund for a police cruiser. (Recommended by the Finance Committee and the Board of Selectmen 6-0) **HAND VOTE AYE**

ARTICLE X. Motion Allan Fessenden, second Clarence Farwell, we voted to raise and appropriate the sum of \$15,000 for the widening of Scabbard Mill Brook Bridge on North Mason Road. (Recommended by the Finance Committee and the Board of Selectmen 6-0) **HAND VOTE YES 49, NO 44**

ARTICLE XI. Motion Allan Fessenden, second Clarence Farwell, we voted to accept the following roads contingent on all outstanding fees being paid by the developer and a maintenance bond being in place in the

amount of 10% of the total cost of the road, and that final acceptance has been approved by the Planning Board, Road Inspector, Road Agent, and Board of Selectmen.

Mountain Road, from sta. 0+00 to 25+00
(Mountain Road Estates subdivision)

Maxwell Drive (Jeffrey Ela subdivision)

HAND VOTE AYE WITHOUT DISSENT

ARTICLE XII. Motion Judy Cook, second George Gray, we voted to eliminate all charges to users of the Brookline Ambulance Service. (By petition)
HAND VOTE YES 53, NO 14

ARTICLE XIII. Motion Russell Heinselman, second Warren Lang, we voted to authorize the Selectmen to accept private donations of land, interest in land or money for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the Selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee on lesser interest in conservation land. Said appropriated funds and state matching funds may be expended by majority vote of the Conservation Commission with the approval of the Selectmen. **VV AYE**

ARTICLE XIV. Motion Allan Fessenden, second Louise Price, to memorialize Congress to propose a constitutional amendment, for ratification by the states, which would specify that the Congress and the states shall have the power to prohibit the physical desecration of the American Flag. **HAND VOTE YES 13, NO 43**

ARTICLE XV. Motion Patricia Malenfant, second Russell Heinselman, we voted to accept the following legacies:

1. The sum of One Hundred Dollars to be used for the perpetual care of the Norman and Helen Garceau lot #SF-8.
2. The sum of Two Hundred Dollars to be used for the perpetual care of the Harry S. Corey lot #219.

3. The sum of Two Hundred Dollars to be used for the perpetual care of the Nason W. Fessenden lot #212.

VV AYE WITHOUT DISSENT

ARTICLE XVI. (By ballot) We voted to adopt an amendment to Article VIII, Number 11, Definitions of the Brookline Zoning and Land Use Ordinance as proposed by the Planning Board by deleting the existing Article VIII, Number 11, Frontage and replacing it with the following: "Frontage - That continuous portion of a lot line bordering on a highway, street, or right-of-way of class five or better, from which access is taken." (Recommended by the Planning Board) **BALLOT VOTE YES 296, NO 125**

On motion by Patricia Malenfant, second Louise Price, we adjourned at 11:20 p.m.

The Service experienced an 80% increase in calls during 1991. Town Meeting in March 1991 voted to end all charges for ambulance service. Some patients have made donations to the Ambulance Association for new equipment purchases and the Association purchased a new stretcher for the ambulance.

At the end of 1991, the Service roster consisted of 2 paid daytime attendants and 10 volunteer attendants who cover nights, weekends and holidays. The daytime attendants are certified as EMT-EOA's, 2 volunteers as EMT-EOA's, 2 volunteers as EMT-A's and 6 volunteers as Advanced First Aiders. All attendants hold NH Ambulance Attendant licenses. There are also 4 training members who will complete their training and become licensed in 1992.

Building improvements have made the Ambulance Bay more serviceable for many years of continued use. Proper preventative maintenance on the 1987 ambulance with 11,000 miles should ensure serviceability for at least 3 more years.

Training has a high priority. Monthly drills have focused on subjects necessary for continuing education certification. We have encouraged upgrading of skill levels for all attendants and researched new equipment to meet the changing needs for emergency medical care in the community.

The Service is always seeking Brookline residents who are interested in volunteering to provide emergency medical care in the community. We provide the training necessary for certification. To learn more about this opportunity, please call the Ambulance Bay anytime at (603) 672-6216.

The Service is appreciative to all Town officials for their cooperation and helpfulness during the year. Many interested residents have also made extra efforts in supporting the Service through the year which benefits the entire community.

BROOKLINE LIBRARY TRUSTEES

1991 ANNUAL REPORT

During difficult economic times, more and more people turn to the public library for help, information and free entertainment. Such was the case at the Brookline Library which had its busiest year ever with circulation increasing 55.9% over 1990.

In addition to the regular summer reading program and party, the spring, summer, fall, winter and Christmas story hours for 3-1/2 to 5 year olds, and the story hours for 2 year olds, the library sponsored a performance of "Domenic" by the cast of Andy's Summer Playhouse. The play was well attended and enjoyed by young and old alike. Another important program offered this past year was the Job Search Seminar sponsored jointly by the Hollis and Brookline Libraries.

The trustees would like to thank Librarian Claudette Gill and Assistant Librarian Claire Halley for the fine job they are doing. We have a host of other people to thank also. Among them is Tom Arnold whose efforts resulted in a donation to the library of over \$26,000 worth of library furnishings from GE AEROSPACE of Burlington, MA. Included were such items as tables, chairs, card catalogues, a computer desk and wooden shelving. It took three trips and six truckloads to move everything and we are grateful to all the people who worked so hard to do this.

Thank you also to Ben Chandler who has allowed us the use of his storage facilities. Our hope is that we will have the necessary space to be able to use all this beautiful library furniture in the near future.

We would also like to thank the people who have volunteered their time or donated money, books or other material to the library. Their efforts have enriched the library and thereby the whole town. May we express our sincere thanks to all.

Respectfully submitted,

Ellen deGuzman
Louise Price
Eleanor Monius

REPORT OF THE POLICE DEPARTMENT 1991

1991 began on a most tragic note. On January 17, a plane crash occurred on Birch Hill about 1 mile in from Old Milford Road. Killed in this crash were two young adults out of Daniel Webster College in Nashua, Michael Keaton and Karen Maloney. Michael was 23 and Karen only 21. The following afternoon we learned of the death of Richard and Sharon Albertini of Mason Road. Ironically, they too, had died in a plane crash in Florida. They were two very wonderful people committed to their community and it's citizenry. I must admit that I wondered if this was an omen of what 1991 was to bring.

With the exception of New Years Eve, when an attempt was made on the life of Officer Robert Pichette, this would not be the case. Although overall activity and calls for service were up 11.5% for the year, the workload was manageable. This was made possible by the graduation of Officers Brian McCarthy and James Crocker from the New Hampshire Police Academy. I am personally proud of their accomplishments while at the Academy and as officers of this department. I would also like to take this opportunity to publicly thank each of my part time officers for their professionalism and dedication to service. Although property crimes actually went down a slim 1%, crimes against people and acts of violence increased by 36% with reported assaults increasing by 233% and Domestic Disturbances by 57%. Motor Vehicle traffic stops increased by 30% which hopefully accounts for the 14% reduction in accidents and the 27% reduction in reported motor vehicle complaints.

The Departments goals for 1992 are to hopefully move into new quarters in the lower portion of the Town Hall. If all goes well and the plan is approved this move could be completed by the end of the year. This would allow the department to function as it should without constant reliance on the Towns of Hollis, Milford and Amherst for the use of their facilities. Not only would this allow us to offer more to the residents of Brookline it would reduce the time an officer has to spend outside of Brookline on routine matters by an estimated minimum of 175 hours a year. We also hope to streamline operations with the addition of a much needed computer system. This system would replace the out-dated method of "hard-copy" filing and record keeping. I have projected that this system would have a payback time of less than 2 years.

It is our every intent to be sensitive to the wants and needs of each and every citizen of the Town of Brookline. Your help in this area is needed and

appreciated. I would sincerely consider any ideas or suggestions forwarded to me which would accomplish this ideal.

In closing, I would like to take this time to thank all of you for the opportunity to serve as your police chief. I hope that in some way our department can add to the quality of life here in Brookline, N.H.

Respectfully yours,
Louis P. Nadreau
Chief of Police

AUDITOR'S REPORT

We have audited the balance sheet for the Town of Brookline NH as of 12/31/91 and the related components of revenue and expenses for the year ended. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with the State of New Hampshire standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts in the financial statement. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to presents fairly, in all material respects, the financial position of the Town of Brookline NH as of December 31, 1991 and its cash flow for the year ended in conformity with the State of New Hampshire.

The process of reviewing septic system design plans to ensure compliance with the Town wetlands ordinance has been working smoothly. All designers and developers have included the additional step in their approval schedule with the State of New Hampshire.

The Building Inspector has attended several seminars during the year to enhance his ability to perform better inspections. The State Electrical and Plumbing Inspectors have visited to advise on the commercial projects and to follow up on contractor complaints.

The Building Inspector's office is open daily from 8:00 to 9:00 am for review of system design and building plans and accepting permit applications. Inspections can be scheduled by calling (603) 673-8925 (which is answered up until 2:00 pm daily) with 24-hour notice. All inspections are done during normal daytime hours on regular Inspector workdays.

Clarence L. Farwell

The following is a list of subdivision roads the Town has accepted at Town Meetings.

1987	Flint Meadow Drive	4000 ft
	Parker Road	2000 ft
	Myopia Hill Road	1050 ft
	Eddy Avenue	850 ft
	Nichols Avenue	1200 ft
	Frances Drive	1000 ft
	Millbrook Road	950 ft
1988	Potanipo Hill Road	2100 ft
	Wallace Brook Road	3700 ft
	Bear Hill Road	800 ft
	Kodiak Road	2000 ft
1989	Parker Road	3050 ft
	Cranberry Lane	1600 ft
	Heritage Circle	800 ft
	So. Spaulding Brook Road	1000 ft
	Quentin Drive	1000 ft
	Beaver Pond Drive	1300 ft
1990	Shattuck Lane	1200 ft
	Birch Hill Road	1300 ft
	Hillside Drive	800 ft
	Captain Douglass Drive	800 ft
	Conneck Road	2000 ft
	McIntosh Road	1550 ft
1991	Mountain Road	2500 ft
	Maxwell Drive	<u>1200 ft</u>
		39,750 ft

= 7.5 miles

The following is the amount of money in the budget directly attributed to the miles of town roads for general maintenance, snowplowing, sanding and brush cutting.

1987	\$89,500.00
1988	\$89,500.00

1989	\$94,900.00
1990	\$104,200.00
1991	\$104,200.00

While the money has increased by 16.5%, the miles of roads have increased by 30%. This year I have increased the budget by \$5600 or 5.3%. As the total mileage and the cost of operation increases, the budget will increase.

Thank you for your support,
Clarence Farwell
Road Agent

BROOKLINE VOLUNTEER FIRE DEPARTMENT

1991 REPORT OF THE FIRE ENGINEERS

The Brookline Fire Dept responded to a total of 71 calls this year, which amounted to 1,243.25 man hours breaking down as follows:

- 18 mutual aid calls
- 4 structure fire calls
- 7 chimney fire calls
- 5 car accident calls
- 2 alarm activations calls
- 1 care fire call
- 4 special detail calls

30 other calls, including, plane crash, trees on wires, oil burner problems, smoke investigations, dump wet downs etc, unattended permit fires, illegal burns, electrical fires, & storm assistance.

A great number of hours by the men was spent training and doing fire scenarios, to be ready when the call comes. A new air cascade trailer was built and donated by the firefighters at no cost to the town and will be a great asset at future fires & training. The town is growing by leaps & bounds and as it does the men continuously try to upgrade their equipment & training.

They would also like to thank the many townspeople who so generously support the breakfasts put on by the firefighters turned cooks.

As I close this report I would like on behalf of the other fire engineers and myself as Chief, to thank the townspeople for their support and cooperation this past year.

REPORT OF TOWN FOREST FIRE WARDEN

1991 was a very dry and busy year for the New Hampshire Forest Fire Service as well as local fire departments due to our increase in the number of fires. Our three major causes of fires in 1991 were non-permit, children and smoking materials. 450 wildland fires in New Hampshire burned approximately 150 acres for an average fire size of one-third acre.

Primarily, the local fire department is responsible for extinguishing these fires. Keeping the average fire size this small is a tribute to early detection by citizens, our fire tower lookout system and the quick response of our trained local fire departments.

In every municipality, there is a Forest warden and several Deputy Wardens that are responsible for directing suppression action on wildland fires, working with other fire department members under the direction of the N.H. Forest Fire Service to make sure that all fire department members are properly trained and equipped for suppressing wildland fires. Forest Fire Wardens and Deputy Wardens receive specialized training each year, presented by the N.H. Forest Fire Service, to keep their skill level and knowledge of forest fire laws up to date.

The local Warden and selected Deputy Wardens are also responsible for issuing burning permits for any open burning that is to be done in their community. In New Hampshire, any open burning, except when the ground is completely covered with snow, requires a written fire permit prior to lighting the fire. Before doing any open burning, it is recommended that you contact your local fire department to see if a permit is required and to save your community the cost of sending fire equipment on a false alarm. Any person violating the permit law (RSA 224:27) shall be guilty of a misdemeanor.

The Town of Brookline did not for the year of 1991 record a brush fire. This was accomplished mostly with the cooperation of people first obtaining a burn permit.

Please help your local Warden and fire department by requesting a fire permit before kindling a fire, be understanding if they tell you it is not a safe day to burn and help keep New Hampshire green! Thank you for being fire safe.

Brian Dubois
Forest Ranger

George W. Farwell
Forest Fire Warden

BROOKLINE CONSERVATION COMMISSION

1991 ANNUAL REPORT

The Conservation Commission is proud to report that our conservation newsletter "Our Place" is now in its 8th year. Sid Hall, Jr. continues to produce, with the help of other volunteers, a valuable vehicle for education which is mailed to each address in town.

Our regular work load of reviewing dredge and fill applications to the N.H. Wetlands Board and advising the Planning Board and the Board of Adjustment on applications required less time than in previous years due to the reduced number of projects. This allowed us time to prioritize other projects and to concentrate on the Prime Wetlands designation process. Milner Wallace and Libby Wehrle-Anderson were voted co-chairman.

The majority of our time in 1991 was spent on the Prime Wetlands project. This involved interviewing and hiring a consultant to map the large areas of very poorly drained soils and to complete the necessary field work. Donna Caruso put in many hours as coordinator of this project. The maps and accompanying report are the basis of the warrant article presented for a ballot vote in March, 1992. If the town votes to designate these 11 wetland areas as Prime Wetlands, the N.H. Wetlands Board will consider them for acceptance. After they are accepted by the N.H. Wetlands Board, they will have a higher level of review when dredge and fill applications are submitted. A public hearing in Concord will automatically be held and the town will have 28 days to appeal a permit after it has been issued.

Trail maintenance has been continued by a dedicated group of Conservation Commission members and other volunteers under the leadership of Dave Anderson. Work concentrated on maintaining the trail at the Palmer Wildlife Preserve adjacent to Route 13 in the north end of town. Plans for 1992 include trail building on the "Merrill Lot" adjacent to Melendy ond and on the conservation land in the Oak Hill Estates subdivision to be generously donated to the town by Tom Moran.

Miriam Jepson continued the tradition of town beautification with the planting of annuals at Bond Street/Route 13 and at the Town Hall. Many thanks to her for this and for her participation in other conservation activities.

Forestry management centered on the land near the town transfer station. When the "tornado" went through that area last summer, many trees were knocked over. Craig Birch of New Eng. Forestry Foundation supervised the clean-up and sale of the timber. Eight hundred dollars was netted. A small lot southeast of the dump is presently being logged of the mature trees. The Conservation Commission plans to continue the tree management of the forests on town land. Wise use of this natural resource will produce better lumber and yield the town some extra funds.

Judith Milkowski

SCHOOL BOARD

BROOKLINE SCHOOL DISTRICT WARRANT
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Brookline in the County of Hillsborough, State of New Hampshire, qualified to vote in District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE BROOKLINE ELEMENTARY SCHOOL IN SAID DISTRICT ON THURSDAY, THE FIFTH DAY OF MARCH, 1992 AT 7:30 O'CLOCK IN THE EVENING, TO ACT UPON THE FOLLOWING SUBJECTS:

1. Shall the District accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescision of such authority, the school board to apply for, accept and expend, without further action by the school district, money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?
2. To see what sum the District will vote to raise and appropriate for the purpose of completing the two classrooms in the lower level of the elementary school.
3. To see what sum the District will vote to raise and appropriate for the purpose of performing modifications in the ventilation system at the elementary school.
4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries of School District Officers and Agents, and for the payment of statutory obligations of the District.
5. To transact any other business which may legally come before said meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SAID BROOKLINE ON THIS THIRTIETH DAY OF JANUARY, 1992.

Marcia Farwell

Ernest Hudziec

Judith Milkowski

SCHOOL BOARD

BROOKLINE SCHOOL DISTRICT
ANNUAL MEETING
March 7, 1991

The Brookline Annual School District Meeting was held on Thursday, March 7, 1991 at Brookline Elementary School. Moderator Thomas Arnold, Jr. opened the meeting at 7:37 p.m. with the reading of the warrant.

1. To see if the District will vote to authorize the School Board to make application for and accept on behalf of the District any or all grants or funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire, or from any other sources.

Nancy Howard moved that the District authorize the School Board to make application for and accept on behalf of the District any or all grants or funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire, or from any other sources. The motion was seconded by Richard Maghakian and the voice vote was in the affirmative.

2. To see whether the District will vote to raise and appropriate \$13,000 for the purpose of implementing energy conservation measures in the elementary school. Al Haight seconded this motion. Basil Harris discussed energy survey results. Questions and discussion followed. Mike Lynch discussed impact on taxes. Voice vote was in the affirmative, motion carried.
3. To see if the District will vote to raise and appropriate \$12,868 to fund the increase in cost items relative to professional staff salaries and fringe benefits for the 1991-92 school year which resulted from good faith negotiations with the professional staff, and which represents the negotiated increase over last year's salaries and fringe benefits.

Basil Harris moved that the District vote to raise and appropriate \$12,868 to fund the increase in cost items relative to professional staff salaries and fringe benefits for the 1991-92 school year which resulted from good faith negotiations with the professional staff, and which represents the negotiated increase over last year's salaries and fringe benefits. Kris Hughes seconded this motion. Discussion followed. Voice vote was in the affirmative and the motion carried.

4. To see if the District will vote to raise and appropriate \$1,315,786 for the support of schools, for the payment of salaries of School District Officers and Agents, and for the payment of statutory obligations of the District.

Marcia Farwell moved that the District vote to raise and appropriate \$1,315,786 for the support of schools, for the payment of salaries of School District Officers and Agents, and for the payment of statutory obligations of the District. Ernie Hudziec seconded this motion. Brookline School Board members presented the rationale regarding budget increases and adjustments with questions and discussion following.

Kris Hughes moved to amend this motion by increasing the proposed budget of \$1,315,786 by \$3,000 for combined salary/benefit increases to the Principal. Ann Webb seconded this motion. The amendment was put to a hand vote and carried 48 to 15.

Alan Fessenden moved to vote with a Brookline resident seconding, that the District raise and appropriate One Million Three Hundred Eighteen Thousand Seven Hundred Eighty-Six Dollars (\$1,318,786). Voice vote was in the affirmative and the motion carried.

5. To transact any other business which may legally come before said meeting.

Marcia Farwell motioned for residents of Brookline to recognize Basil Harris' contributions during his term as School Board Member.

A motion to adjourn the meeting was made by Nancy Howard and seconded by Nancy Brodeur. There being no further business to come before the meeting, the meeting was adjourned at 9:08 p.m.

Respectfully submitted,

Marlene Swearingen Morgan
School District Clerk

March 13, 1991 - Ernest Hudziec was sworn in as Brookline School Board Member for three years and Marlene Swearingen Morgan was sworn in as Brookline School District Clerk by Thomas Arnold, Jr.

SUPERINTENDENT'S REPORT

This 1991 Report includes information regarding the events and activities in which I have been involved for the past year.

Budgeting - Each year I initiate the processes that lead to the budgets that are voted upon in March at the Annual School District Meetings. By January we have developed preliminary budgets that are reviewed by the Finance Committee in Brookline, the Budget Committee in Hollis, and the Advisory Finance Committee of the Hollis/Brookline Cooperative School District. Public Hearings are held for each of the district's budgets prior to the respective March meetings.

In Brookline, a School District Budget of \$1,344,654 was approved by the voters on March 7, 1991. On March 11, 1991, a Hollis School District budget of \$3,077,383 was approved by the voters. On March 18 and 19, 1991, the voters in the Hollis/Brookline Cooperative School District approved a budget of \$5,461,614.

The 1992-93 School Administrative Unit #41 Budget, in the amount of \$348,533, was approved by the SAU #41 School Board on December 10, 1991.

During the past year the Cooperative School Board appointed a Budget Process Committee which was charged with recommending improvements in the budgeting process. The committee, consisting of Mary Norton, Nina Glastetter, Kathy Pasko, Claire Mick, Thelma Pollard, and Kathy Davis recommended improvements in the communications between the school board and the Advisory Finance Committee, the dissemination of more public information regarding proposed budgets, improvements to the actual budget format, and a more systematic, organized presentation format to the public for hearings and the Annual School District Meeting.

Curriculum Renewal Process - Our SAU #41 Curriculum Renewal Process calls for an examination of specified subject areas each year. In the 1990-91 school year we concluded committee reviews in Art, Computer Education, Library/Media, Music, and Physical Education. Technology (formerly Industrial Arts) continues to be reviewed. The Administrative Council, which consists of the administrators from the combined Districts, prepared an Action Plan for each completed subject area. During the current school year Guidance, Science, and Social Studies are in the process of being reviewed, while, at the same time, the Action Plans for the previous year's subjects are being implemented.

Evaluation Procedures for Administrative Staff- The committee appointed in 1989-90 has continued the process of examining the evaluation procedures for administrators. New Board members have been appointed to the committee as it continues its work.

Labor Relations - No fewer than seven (7) separate collective bargaining sessions are underway during the fall of 1991 in SAU #41. Five of the ongoing negotiations are for agreements for the 1992-93 school year, and involve the:

- Brookline School Board/Brookline Teachers' Association (BTA)
- Hollis School Board/Hollis Education Association (HEA)
- Hollis School Board/Hollis Education Support Staff Association (HESSA)
- Hollis/Brookline Cooperative School Board/HEA
- Hollis/Brookline Cooperative School Board/HESSA

In the meantime the Hollis School Board reached Impasse in bargaining on current (1991-92) year issues with the HEA, and Health and Dental coverages, Staff Development, and Course Reimbursements have been argued before a Factfinder. The Factfinder, as provided under NH law, will prepare a report which, if not accepted by both parties, will be brought before the voters.

Similarly, the Hollis/Brookline Cooperative School Board and HESSA have gone to Factfinding over 1991-92 salary issues.

Facility Problems - In the summer of 1991, the roof at the Brookline Elementary School was replaced. The heating and ventilation system has been reviewed by an engineer, and a separate Article will be placed on the 1992 Annual School District Meeting Warrant to seek funding to bring the system up to code. Both of the aforementioned items are part of the ongoing suit by the Brookline School Board against the parties involved in the 1987-88 construction project.

In Hollis, the 1990-91 school year was complicated by the discovery of structural problems in the Farley Building on the campus at Hollis/Brookline High School, which resulted in shutting down one classroom and adding temporary support beams in the building. A Special School District Meeting of the Hollis/Brookline Cooperative School District was held in June, and the voters approved \$85,000 to be used toward making the Farley Building structurally sound. The work was accomplished during the months of July and August, and the entire building is once again being used for classes.

School Improvement Program at Hollis/Brookline High School - The School Improvement Program (SIP) Team is in its third year of operation at the high school. During the 1990-91 school year the SIP Team pinpointed a number of areas within the operation of the school that needed attention, and in so-doing, prepared goals and objectives to be accomplished. Currently, the Team is in the process of involving additional staff members in its efforts to achieve its goals in the identified areas.

School Board Policies. New and Amended - In the Hollis/Brookline Cooperative district, considerable time has been spent writing, re-writing, and approving policies that govern operations and regulations at Hollis/Brookline High School. To date, over 160 policies have been either created, amended, or deleted.

The Brookline School Board's Policy Committee has continued its review of all of the existing Board policies, by amending and/or deleting some policies, and writing new ones for eventual Board approval.

Similarly, the Hollis School Board appointed a Policy Committee which has been reviewing and amending policies for the district.

Each policy is listed as an attachment to the agenda on which it is going to be discussed. A policy appears on at least two agendas before it is adopted by the School Board.

My Goals for the 1991-92 school year are:

1. **SITE BASED MANAGEMENT**: Foster the goal of shared leadership or site-based management at Hollis/Brookline High School.
2. **DATA PROCESSING**: To explore utilization of computer technology for both learning activities and administrative tasks.
3. **COMMUNITY RELATIONS**: Implement a positive and constructive community relations program.
4. **EDUCATIONAL LEADERSHIP**: Develop and implement specific action plans to implement revised curricula. Curricula reviews scheduled for this year should be conducted and should be held to high educational standards.
5. **LONG RANGE PLANNING**: Identify areas that are amenable to long range planning in the SAU and its constituent districts, and recommend candidate areas that need long range plans.

6. EMPLOYEE EVALUATION: Perform evaluations of the school principals. Establish employee procedures and practices within the SAU Office. Establish the link between staff development, staff evaluation, curriculum renewal and student learning outcomes.
7. SELECTION OF NEW SUPERINTENDENT: Assist the School Board in selecting the new Superintendent for SAU #41 through developing a schedule, developing a selection process and criteria, and candidate evaluation.

I have announced my intention to retire at the end of the 1992-93 school year, which accounts for Goal number 7, above. As of June 30, 1993, I will have completed fourteen years of service as the Superintendent of Schools for School Administrative Unit #41.

For their understanding, support, and assistance during the past school year, I wish to thank the members of the Hollis, Brookline, and Hollis/Brookline Cooperative School Boards, the Building Principals and Assistant Principals, members of the SAU #41 Staff, the individual school staff members, and the citizens of Hollis and Brookline.

Respectfully submitted,
Philip J. Dahlinger
Superintendent of Schools

REPORT OF THE SPECIAL EDUCATION DIRECTOR

Following the mandates of Public Law 94-142 and the New Hampshire Standards for the Education of Handicapped Students, School Administrative Unit (SAU) #41 provides special education programs and related services to meet the unique needs of educationally handicapped students in the Brookline School District. Both the Federal and State Laws guarantee a "free, appropriate public education" to all students ages 3-21. Whenever possible, we are committed to meeting the needs of students through in-district programs, so that we also meet the requirement of providing special education programs in the "least restrictive environment".

Goals for the Special Education Department include: continued improvement in the quality of special education service delivery, increased collaboration between regular and special educators, staff training and dissemination of information and resources to parents of educationally disabled students. Dedicated special education staff members continue to enhance our team process, network and collaborate department-wide, and in general, work effectively toward attaining the department's goals.

Toward these goals a variety of activities were conducted in 1990. A Collaboration Committee including regular and special educators from all four schools has been meeting monthly to examine the status of special education in our schools and to propose changes needed to improve delivery services and collaboration between regular and special educators. Goals and action plans will be developed to implement these recommended changes.

In another collaborative effort, several special education teachers have teamed with classroom teachers to provide services in the classroom, where appropriate.

The Special Education Department completed the revision of forms that document required steps in the special education process. The forms are currently in use in all programs and their effectiveness and efficiency are being assessed for possible future revisions.

P.A.R.T. (Parents and Resources Together) was formed at the beginning of the 1991-92 school year to provide information for parents of educationally disabled students. Two of the six sessions have been held, the topics were disability awareness, SAU #41 special education process and community resources.

Inservice training for regular education and special education staff has included: special education department philosophy, policies and procedures; student motivation/empowering students; modifications for special education students in the classroom and improving student self-esteem.

Special needs students from Brookline are provided with a continuum of services and placements within SAU programs. Brookline currently has a total of 62 students identified as educationally handicapped following the SAU #41 Team Process of Referral, Evaluation and Placement.

At the Brookline Elementary School, a total of 25 students are being served within the Resource Room program as specified in each child's Individual Education Plan. This special education program is supported by additional services as required, i.e., Speech and Language Therapy, Occupational Therapy, Physical Therapy, Psychotherapy.

At the Hollis/Brookline Junior High School, two programs are available to meet the needs of 29 educationally handicapped students, six of whom are from Brookline. The Resource Room program provides academic support services and related services for a total of 17 students. The Special Needs program provides a cost-effective, in-district program for 12 students requiring a more intensive learning environment.

At Hollis/Brookline High School, Brookline students are served within the Resource Room program or within an alternative Special Needs Self-Contained program for students requiring a more intensive environment. The Resource Room provides academic support services for a total of 62 students, including 16 from Brookline. The Pre-Vocational program serves a total of 17 students, eight of whom are from Brookline. Both programs offer excellent academic support and alternative classes to meet the needs of educationally disabled students within the building.

In addition to the numbers of students in in-district programs, there are also seven Brookline students who require programs outside the district. A goal for each student is to be educated in the least restrictive environment, so whenever feasible, he or she will return to appropriate in-district programs.

To meet the requirement of early identification of preschool students, Brookline participated once again in the SAU #41 Child Check Screening last spring hosted by Hollis. The 1991-92 SAU #41 Child Check Screening was held in Brookline last fall. The purpose of the screening is to identify

and monitor potentially handicapped preschool students, and to provide services to those determined to be educationally handicapped.

The Special Education Budget reflects all costs for in-district programs and materials, out-of-district tuitions, specialized transportation, evaluation and placement services, related service costs and salaries for teaching staff. To help offset costs, the district is expected to receive Catastrophic Aid funding from the State of New Hampshire for as much as 80 percent of the special education expenses per student in excess of three times the state average tuition. Brookline will receive federal funds to help offset School District expenses for psychological and educational evaluations. An important goal of the Special Education Department is to continue to provide cost effective services to Brookline students.

Respectfully submitted,

Mary Anne Byrne
Director of Special Education
School Administrative Unit #41
